I am writing to apply for the position of Primary School Arabic Teacher at your institution. I have a strong passion for teaching young learners and helping them build a solid foundation in the Arabic language.

I am experienced in introducing Arabic through simple vocabulary, basic reading and writing, correct pronunciation, and everyday expressions suitable for primary school pupils. My teaching approach is learner-centered, interactive, and supportive, using songs, stories, visual aids, and activities to make lessons engaging and enjoyable for children.

I am patient, caring, and committed to creating a safe and positive classroom environment where pupils feel encouraged to learn and participate. I understand the importance of nurturing confidence, discipline, and curiosity at an early age, and I work closely with pupils to support their individual learning needs.

I would be honored to contribute my skills and enthusiasm to your primary school community. Thank you for considering my application. I look forward to the opportunity to discuss how I can support the academic and personal growth of your pupils.

Yours sincerely,
